

TRIERENBERG SUPER CIRCUIT THE WORLD'S LARGEST PHOTO SALON

MLT Attendance in Linz, 10th October 2016

„DEAR PHOTOFRIENDS,

in the last two decades, the TRIERENBERG SUPER CIRCUIT has attracted hundreds of thousands of pictures from nearly all countries around the world. It is by far the largest annual salon of photography on the globe.

It is the aim of this competition to find out the very best photography from different styles, techniques and genres. The TRIERENBERG SUPER CIRCUIT has established as an international benchmark of perfect photography. Not only amateur photographers, but also internationally well known artists and professionals have been participating. We invite you to visit our Hall of Fame to browse through our "Who is Who" of the worlds best photographers.

It is the task of an international panel of judges to select the very best entries and to distribute prestigious awards. Cash money awards, the Victoria statue for the overall winner as well as trophies and medals will be given.” [Source: www.supercircuit.at, 10.10.2016]

More than 120.000 photos were submitted in 2016 by photographers from all over the world for the Trierenberg Super Circuit. During the solemnly award ceremony in Linz all participants and the medalists in the various assessments were honored. Among the different other industrial companies, the MLT GmbH is pleased to support these contest now for more than 10 years. We congratulate all participant and winners to these extraordinary images and the organizer to the impressive and growing event during all these years.
